Northern Wisconsin Waterfalls

Copper Falls @40FT

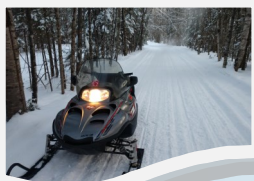

Copper Falls is located in Mellen just 45 minutes (45 miles) north of Northern Pines

Morgan Falls 1 @100 Ft

Morgan Falls is located in Marengo just 1 hour (52 miles) North of Northern Pines

Just a short drive from your cabin you have the opportunity to view 21 amazing waterfalls. With heights ranging from 10' to 165' the views are breathtaking. Depending on the time of year the water falls beauty changes. Early spring with the fresh snow melt creates higher volumes and more dramatic falls. Not many other places in the world offer so much in a close proximity.
